Supporting information

Encouraging active participation

Explain your organisation's policies and practices that encourage active participation*

We follow LittleAthleticsQld Policies. The motto is "FAMILY, FUN and FITNESS". Children (age3-16) are encouraged to do all events for their age. As they improve skills/techniques, they improve personalbests and confidence. It's noncompetitive with reward for personal bests. Adults participate - becoming administrators, coaches, officials or age marshals. With athletes/families involved we keep fit, have fun and meet friends. Family involvement fosters a stronger sense of family and community. Our Mission: To develop children of all abilities by promoting positive attitudes and a healthy lifestyle through family and community involvement in athletic activities - supported by attached policies.
